Glossary of Terms

This section contains terms used in this report, together with such additional terms as may be helpful in promoting a common understanding of school financial accounting and reporting procedures.

General Terms

Fund — A sum of money or other resources set aside for specific activities of a school district. The fund accounts constitute a complete accounting entity and all of the financial transactions for the particular fund are recorded therein.

General Fund — The fund used to record all operating revenue and expenditures of the district pertaining to education except the purchase of sites, construction of buildings, or the retirement of bonded debt.

Building and Site Fund — The fund designated for recording transactions in monies and other assets earmarked for use in acquiring new school sites, buildings, and equipment, additions, and in major remodeling of or additions to facilities.

Debt Retirement Fund — A fund designated for recording transactions in monies and other assets earmarked for use in payment of principal and interest in long-term debt.

Revenue Accounts

Local — Revenue produced within the school district for operating the schools and available to the district in the amount produced. The major source of local revenue in most districts is the general property tax levy.

State — Revenues received or to be received from the state which are appropriated by the state out of state funds. The major source of state revenue in most districts is the State School Aid membership allowance.

Federal — Revenues received or to be received from the federal government which is redistributed by the state; or redistributed by a local unit of government, such as a county or a city; or allocated directly by a federal agency, i.e. U.S. Department of Education.

ALL SOURCES - Includes revenues from local, state, federal and intermediate units of government (i.e. county), as well as incoming transfers and other transactions. Please note, the total of local, state and federal revenues will not add to the all sources total. Intermediate revenues and incoming transfers are not included in any column.

Expenditure Accounts

Instruction — The cost of activities dealing directly with the teaching of students in the classroom or classroom situation.

Basic Program — This includes the classroom costs of the basic instructional programs of pre-school, elementary, middle and high school grades, including fringe benefits.

Added Needs — This includes the classroom costs of the added needs instructional program of special education, compensatory education, vocational education and other added needs programs, including fringe benefits.

Other Programs — This includes any other classroom instruction costs such as adult/continuing education programs, including fringe benefits.

Total Instructional Expenditure — This cost category includes the total classroom instructional costs including the fringe benefit costs for classroom instructional personnel.

Instructional Salaries — This item of cost includes the total classroom instructional salary cost and the fringe benefits for classroom instructional personnel.

Support Services — The cost of activities which provide administrative, technical and logistical support to facilitate and enhance instruction.

Instructional — This includes the costs of pupil support services and instructional staff support services including employee benefits.

Business and Administration — This cost category includes the total cost of general administration, school administration and business services including employee benefits.

Total Support Services — This total cost category includes all costs for support services including the fringe benefit costs for support service personnel.

Support Services Salaries — This expenditure category includes the total support services salary costs including fringe benefits costs for support services personnel.

Operations and Maintenance — This expenditure category includes those activities concerned with keeping the physical plant open, comfortable, and safe for use. This expenditure was formerly part of Administration and Business in previous bulletins. Included are the employee fringe benefit costs.

General Fund Expenditures — A descriptive heading under which are grouped all accounts for operating a school district. These activities include current operating expenditures, community services, and capital outlay. These amounts do not include outgoing transfers and other transactions.

Average Salary Per Teacher — A heading under which are gathered the full-time and prorated portions of regular teachers' salaries for teaching services provided to pupils. The average salary information is found in the "Instructional Salary Data" line of the report form DS-4169, Annual School District Financial Report, Form B. The computation is made by dividing the total salaries of certified staff charged to Account Code 110, Basic Programs, by the corresponding teacher count from the DS-4061, Fourth Friday Report.

Other Terms

State Aid Members — The number of pupils legally enrolled at the close of school on the fourth Friday following Labor Day of the school year. The count includes prorated portions of the instructional time spent by private school pupils in the public school district.

Per Pupil — A revenue category or expenditure category divided by the total State Aid Membership of the school district.

State Equalized Valuation Per State Aid Member — The figure represents a calculation made by dividing the taxable value of real estate and personal property (assessed value as finally equalized by the State Tax Commission) in the district, by the number of pupils legally enrolled at the close of school on the fourth Friday following Labor Day of the school year.

Millage Rates

Operation — The tax rate in mills applied to the state equalized valuation of the district to produce revenue for the operation of schools.

Building and Site — The tax rate in mills applied to the state equalized valuation of the district to produce revenue for the construction of school buildings or for the acquisition of land to be used for educational purposes.

Debt Retirement — The tax rate in mills applied to the state equalized valuation of the district to produce revenue to pay the principal and interest on bonds. Bonds must have been sold at a previous date for building construction and/or site acquisition.
